

SKYLINE HIGH SCHOOL SYMPHONIC & CONCERT BANDS 2017-18

COURSE OUTLINE:

SHS Band is a continuation of the opportunity to develop musicianship and artistic perception through musical preparation and performance. Then emphasis is on public performance, with relevant musical history, theory, and techniques discussed and studied in class.

MATERIALS:

The student will need his/her instrument and accessories, a folder and a flip folder containing all assigned sheet music (percussionists included!), a pencil, and any other assigned materials on a daily basis.

HOMEWORK:

Students must have their part ready not just for performance, but for rehearsal as well. As the internet meme states, "Practicing at home is where you learn your part. Band rehearsal is where you learn everyone else's part." Private lessons are not required, but they are highly recommended. A list of private teachers in the Skyline area is available on our website or upon request. (Please call me if you need any assistance in this area.) Superior musicianship makes Band more fun for everybody, and the better we are as individuals, the better we can be as a group!

EVALUATION:

Grades will be determined on the following basis:

Participation in class, concert performances, weekly practice records, written and played tests

◆ All Full Band Performances are worth 100 points each. As long as each student is on time and participates positively in each performance, he/she will receive the full 100 points of credit for each performance.

◆ Each student receives a participation grade (equivalent to one test grade) each semester. Every student starts with a score of "100%", in this category. The score remains "100" until the student lowers it by inappropriate classroom, performance, or field trip behavior, coming to class unprepared (i.e. without music, pencil, and/or instrument), tardiness, etc.

◆ Grade percentages are computed utilizing EA+/Skyward software.

◆ Attendance at all scheduled rehearsals and performances is mandatory. The points you receive for participating are a very large part of your grade. This is a performance-based class, and many, if not most, performances will take place outside of school hours. Students are expected to attend all outside of school rehearsals, concerts, and performance trips. Missed rehearsals and concert experiences cannot be duplicated.

STUDENTS: ALL FULL BAND PERFORMANCES ARE PART OF YOUR GRADE!

◆ **PLEASE CHECK THE ENCLOSED CALENDAR OF FALL FULL BAND PERFORMANCES!!** If a student has a prior conflict with a scheduled band performance, please notify me in writing by **Friday, September 8**. If a student has a prior commitment on his/her family calendar, it will be entered into the EA+/Skyward database as "excused," and the student will not be responsible for the missed points from that performance. **If you are not at a performance (other than those mentioned by September 8 for Fall Performances), you will not receive points for that performance.** (An exception to this would be serious personal injury/illness). Performance schedules for the remainder of the year will come out in December, with a week for you to review for conflicts.

◆ All School/District policies regarding tardies, behavior, etc., will be followed.

◆ Students should also note that one's mere physical presence at a performance does not guarantee full credit; inappropriate behavior (i.e. bringing food/drink into the stands while the band is in uniform and in the stands, inviting/allowing non-Band members to sit with the Band, being late to warm-up, returning late from breaks, etc.) will result in the loss of some points.

◆ Band students will be on time to class, seated, and ready to begin rehearsals.

◆ Band students will have his/her instrument and all materials at all rehearsals, including music, music folder, and rehearsal pencil. Each student will be required to maintain a music folder and to correctly mark music during rehearsals.

◆ Each daily class will be conducted as a rehearsal, and students will be expected to exhibit behavior which will allow for maximum rehearsal accomplishments.

◆ Band members will attend performances dressed in proper performance/concert attire. Students who do not come appropriately dressed change (for the worse) the visual effect of the entire group. Do not expect to receive credit for a performance if you are dressed inappropriately.

◆ School equipment and property will be treated carefully and with respect. Replacement/repair of damaged items will be the responsibility of the person(s) who caused the damage.

◆ Food and drink are not allowed in the band room. This is school policy.

OUTSIDE OF SCHOOL HOURS REHEARSALS

◆ As we did last year, we will have a limited number of rehearsals on late-start Wednesday mornings in order that both bands, Concert & Symphonic, will be able to rehearse together. Due to busy after-school sports and family schedules, this has been found to be the best time for us to all meet and practice together. See the Calendar (below) for the dates when these rehearsals will occur.

UNIFORMS:

◆ For Football games, the students have chosen to wear a fleece sweatshirt, specially designed for our Band, to be worn with black pants. The fleecewear will cost @\$35, and will be used for football games.

◆ For the Salmon Days Parade and any other Marching Band performances, each student is assigned a uniform (coat, pants, & hat.) These items are provided free of charge to the student for the duration of the school year. They are in lightly used condition, and it is the student's responsibility to keep the uniform neat and clean throughout the year for all marching performances (including getting the uniform cleaned/pressed at the student's expense if it is mistreated or stored improperly after any performance.) The uniform must be returned in the same condition in which it was checked out. For both "traditional" and "casual" marching performances, the students need a pair of **plain white shoes** (sneakers are fine – just no multiple colors, stripes, or large, colorful logos.)

◆ For our traditional Concert Performances, we will again be using the Tuxedos/Formals as we did last year. The tux/shirt/tie/cummerbund annual rental for the men costs @\$80. If you wish to purchase, rather than rent (as the orchestra students often do), you can get one many different places, but the ones at www.tuxedowholesaler.com seem to be very reasonably priced. If you can find a better price somewhere else, go for it! Ladies have decided to do as the orchestra does: each student will wear a dressy, all black outfit of the student's choice. A pair of dressy black shoes is needed for both men's and women's uniforms.

FIELD TRIPS:

Participation in these trips will be subject to one's citizenship grade in class. Anyone who has received less than 90% on his/her Participation Grade over the course of the year, or less than 80% on the report card immediately preceding the trip, will not be allowed to participate in any off-campus field trips/performances (including Festivals).

If any student engages in behavior during an off-campus trip which results in a Disciplinary Referral, that student will be subject to removal from Band and from participation in the Band for the remainder of the school year.

The Band Officers have indicated an interest in taking a 'major' trip this year, like the ones that BLMS and PLMS have undertaken over the years. Band members who do not have at least an "A-" (on their semester report card, and at the time of the trip) will not be able to participate in this kind of trip. Likewise, since participation would

involve missing other classes, any student wishing to participate in the trip would have to have at least a “C” average in all other classes, as well.

LETTERING IN BAND:

As with many SHS Activities, it is possible to earn a Letter for participation in Band. A record is kept of past points earned, and a total of 500 points is required to Letter. Some activities that will accumulate points include:

- *attendance at Summer Band Camp
- *performing at football games
- *performing at basketball games
- *performing at Solo/Ensemble Festival (the higher your rating, the more points you receive)
- *Member of approved Honor Band/Orchestra
- *Audition for approved Honor Band/Orchestra
- *Weekly private lessons on your primary instrument for the year
- *Perform with Pit Orchestra for School Musical.
- *Section leader for the year.
- *Band Council for the year
- *Drum Major
- *Instrument “doubling” (i.e. switching instruments to help balance the Band)
- *Director’s Discretion – various opportunities will arise over the course of the year to earn more points by participating/helping out when needed.

Parent Assistance:

We often have the need for Parent Volunteers during the course of the year for performances, field trips, etc. If you can help out in any of the following areas, would you please put a check-mark in the appropriate field? Anyone who thinks he/she might volunteer on campus or on a field trip now **MUST** register for clearance with the Washington State Patrol through this web link: <https://issaquahvolunteers.hrmplus.net/> It must be done every year now, but it is a “central” clearance, good at all ISD schools (so, “one and done,” as they say). It is expected to take **up to 4 weeks to receive clearance**, so we must plan ahead (no turning it in the day before or the day of, as we had been sometimes been able to do in the past...)

Thank you very, very much!!!

If/when there are playoff games after the regular season, we usually play for all playoff games. They can be on Friday nights, or Saturday afternoons or evenings, and we never know the exact time of each playoff game until Sun/Mon of the week of the game. Once we get to the playoff season, game attendance becomes Extra Credit, and extra credit points are earned for attendance. Based on previous experience, we can expect playoff games on November 10 (or 11), November 17 (or 18), etc., through the State Finals, which are scheduled for Friday/Saturday, December 1/2, usually in the evening (the 4A Finals have **ALWAYS** been on Saturday night, but there is never a guarantee of that from one year to another...)

Please check www.skylinespartanbands.com for schedule updates and other information. Any changes/announcements will be posted there as they occur.
